Dear parents of our boarding and day boarding students

In all the boarding and day boarding houses, life was already visibly raging in the first days of the school year. The groups are beginning to grow together in the new house communities and to design the house areas. So there is a lot to see and also to discuss. We therefore cordially invite you to our first

at

Sunday, 11 September 2022

on the Gaesdonck campus.

10.00 hrs	Service in the monastery church
11.00 hrs	Exchange/getting to know each other/elections of parents' representatives for the respective houses
12.30 hrs	Lunch followed by coffee
14.00 hrs	End of the event

Applications for Campus-Time activities

The registration period for the Campus-Time offers has now ended. This year, too, for some courses more students have registered than there are places available, so that not all wishes could be taken into account. We have tried very hard to distribute the places in a fair and balanced way. At the end of last week, the registrations and cancellations were sent to the e-mail address on file.

At the same time, it is still worth taking a look at the [website](#). There are still places available on some interesting courses. Registration is still possible subject to availability!

The activities will start next Monday, 22.08.2022. For direct enquiries about the respective offer, please contact the respective course instructor.

Together with our colleagues in boarding school education, we look forward to seeing you again at our Parents' Day!
