

Gaesdonck Parents' Letter

No. 17/2022-23

03.03.2023

Dear Gaesdonckers,

We will only be contacting you for the homecoming weekend with a brief, but nonetheless heartfelt invitation to .

Studium Generale with Dr Daniela Lesmeister

As part of the Gaesdoncker Studium Generale, Dr Daniela Lesmeister, State Secretary in the Ministry of the Interior of the State of North Rhine-Westphalia, will be a guest on our campus next **Tuesday, 07.03.2023 at 5 pm**. Her lecture: **"Polizei NRW - Einblicke ins Team 110" (Police NRW - Insights into Team 110)** is intended to show the audience the complex tasks involved in police work and to give them a glimpse behind the scenes. Dr Kattelans, the head of the level, is pleased to have won **Dr. Lesmeister** for this lecture, who is once again an extraordinarily competent and interesting speaker.

As usual, the entire Gaesdonck school community, including you as parents, is cordially invited to this event in our auditorium. Prior registration is not necessary.

Note on special arrival and departure days in March

Parents of our boarding as well as day boarding students we would like to point out already today some special arrival and departure days at the end of the month:

Due to the **pedagogical conferences**, the students have a tuition-free study day on **Monday, 20.03**. Accordingly, arrival will not take place until Monday evening at the usual times.

On **Thursday, 30** and **Friday, 31 March** we would like to invite you to our **Parents' Consultation Days**. You will receive further information in good time in a separate parents' letter . However, we would like to inform you that classes end on Thursday after the 6th lesson. The departure of the internal students will therefore take place as usual on Thursday afternoon. As usual, there will be no day boarding care on either day.

You will also receive information about the traditionally simultaneous scout campaign with overnight stay from Thursday to Friday in good time with a separate letter to parents.

Also on 30 March at 5.30 p.m., there will be an information event in the assembly hall for the parents of students in the Lower Secondary (Year 10) on the introduction of a new calculator. Again, more information and a separate invitation will follow in due time.

We wish you and your families a wonderful weekend. Enjoy the sunshine and have a goof time.

Best regards from the Gaesdonck Campus

Dr Markus Oberdörster
Director

Sabine Schleede-Schmalz
Headmistress

Michael Gysbers
Head of Boarding School
