

Gaesdonck Parents letter

Nr. 3/2020-21

11.08.2020

Dear parents

Shortly before the start of school we would like to share some updated practical information:

1. **Heat-free**
Due to the current heat wave combined with the obligation to continuously wear mouth-nose-covering, the Gaesdonck management has decided to end the lessons after the 6th hour in the next two days. This means that afternoon lessons for the Upper School will not be held on Wednesday, 12.08.2020 and Thursday, 13.08.2020. Day-time Boarding school for the day will be held regularly.
2. **Return of books**
Books will be returned from Thursday onwards during the respective subject lessons. The students do not need to bring the books tomorrow.
3. **Sportswear**
In order to relieve the changing room situation, we allow our students, in deviation from the house and school rules, to come to school in sports clothes on days with sports lessons and to bring a change of clothes for the lessons following the sports lessons.

We look forward to seeing our students again tomorrow!

Best regards

Doris Mann
Headmistress
