

Cost information for the school year 2021/2022

Collegium Augustinianum Gaesdonck is an episcopal boarding school run by the Collegium Augustinianum Gaesdonck Foundation. As a foundation under private law, the Collegium Augustinianum Gaesdonck finances its special educational offerings on campus and within the framework of the boarding school mainly from contributions by parents and from foundation funds.

The costs and fees for services provided by the boarding school and day care centre - including education, accommodation, incidental expenses and meals - are determined by the Directorate and the Gaesdonck Foundation Board for each school year. The same applies to the costs of the upper school external school.

Our school at Collegium Augustinianum Gaesdonck is a substitute school of the state of North Rhine-Westphalia. Attendance is therefore free of charge, but there are additional costs as at all comparable public schools (copying costs, cultural contribution, etc.). Additional costs for meals are incurred in the upper school external school. Membership of the Gaesdonck Circle of Friends is expressly desired.

Independent of holiday dates, the contract period for one school year is 12 months. If more than one sibling attends Gaesdonck's full boarding school at the same time, the boarding school fee for the younger child is reduced by 10%. Children of Gaesdonck Alumni receive a 2% discount on the boarding school fees.

On conclusion of the boarding school contract, we charge a one-off admission fee of half a month's payment to cover administrative costs. For students from outside the EU, we charge a full monthly payment.

The boarding school costs for international students are usually collected by us in advance for a full school year.
